

# Amsterdam

Una famiglia di lampadari proposta in colori tenui e caratterizzata dai rocchetti di cristallo che rifrangono e riflettono la luce che li colpisce, creando un effetto scenografico molto suggestivo. I paralumi possono essere bianchi o neri. Parti metalliche in cromo lucido.

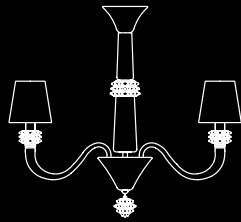

A family of chandeliers in soft colors, where chunky crystal cylinders reflect and refract the light to dramatic effect. Shades supplied either black or white, with polished chrome metal details.
